

Cool Name Goes Here Playtest v1.0 Errata

Chapter 12: Character Creation

p. 96 – In the example, Hawk should have Warrior MO 1, Ranged Focus 1, Outlander MO 1

p. 97 – The correct starting number of Attribute Points is 20, not 18.

Chapter 15: Advancement

p. 113 – **Enhancing Action Scores:** This section should be replaced with the following text:

Improving Rolls

In addition to spending Story Points on benefits listed on the Story Points Rewards table, a character may use unspent Story Points at any time during the game to improve the total result of a roll. For each Story Point spent, increase a roll's total by one. You may spend points on your own rolls or on the rolls of your allies. There is no limit to the number of points you can spend on each roll.
